

'Leading beyond the Walls'

Developing Congregations with a Heart for the Un-churched.

A series of talks/presentations by Rev'd David Jebb

Drawing on his own experience, as well as the detailed research he undertook during a sabbatical in 2009 to study the characteristics of highly successful congregations, David offers a solid, substantive, thinking on steps that congregations can take to become centres of vibrant outreach and mission in the 21st century.

All sessions are 4.00 - 5.30pm at St. John's Methodist Church.
